BPA Irrigation Rate Discount (IRD Refund)

The IRD will be refunded to irrigation customers during the irrigation period at a rate of \$0.01176 per kWh with a true-up refund at the end of the calendar year to the total BPA refund. The irrigation period is May, June, July, August, and September. The allocation of the end of year refund to irrigation customers will be a pro rata share of their kWh usage.

An individual irrigation customer end of year refund will be as follows:

$$\text{(Total Refund from BPA – amount paid at the \$0.01176 rate) * (Individual Customer kWh usage) / (Total irrigation kWh)}$$

POWER COST ADJUSTMENT

The Seller shall determine the Power Cost Adjustment subject to power supplier charges and credits.

DETERMINATION OF BILLING DEMAND

The billing demand shall be the average kW supplied during the 30 minute period of maximum use during the preceding month for which the bill is rendered, as recorded by the demand meter.

MINIMUM ANNUAL CHARGE

The annual minimum charge shall be the Annual Service Charge.
