RULE NO. 18

SUPPLY TO SEPARATE PREMISES AND RETAIL

A. Separate Metering

Separate premises, though owned by the same member/owner, will not be supplied through the same meter, except as specifically allowed by the company.

B. Other Uses or Premises

A member/owner shall not use electricity received from the company upon other premises nor for other purposes than those specified in his/her application for service or provided for in the schedule under which service is being taken.

C. A member/owner shall not resell electricity received from the company unless the member/owner is the owner, lessee or operator of an apartment house, trailer court, or other multiple-family dwelling. Such member/owner may resell electricity to the tenants of such dwelling provided that:

1. Such master metering was installed and operating prior to January 1, 1981 or the member/owner has special permission in writing from the company for installations after January 1, 1981.
2. Such electricity is resold at the same rates that the company would charge for the service if supplied directly, or
3. The charge to the sub-customer is absorbed in the rental charge for the premises or space occupied by him/her.

Should a member/owner resell electricity otherwise than as provided in the foregoing paragraphs, the company may discontinue service to him/her.
