

SPECIAL MEETING OF MEMBERS OF
WELLS RURAL ELECTRIC COMPANY

A special meeting of the members of WELLS RURAL ELECTRIC COMPANY was held June 26, 1959, at El Rancho Hotel in the City of Wells, State of Nevada, at 3:00 o'clock P.M., pursuant to waiver of notice signed by all members of the cooperative.

The meeting was called to order by ROBERT R. WRIGHT, President, who presided, and CHARLES J. BALLEW, Secretary, acted as Secretary of the meeting.

Upon calling the roll the Secretary reported that the following members were present in person: ROBERT R. WRIGHT, CHARLES C. READ, JAMES L. BALLARD, HERBERT M. UHLIG, CHARLES J. BALLEW, VERNON DALTON and BLAINE SHARP. Absent were the following members: ROGER SMITH and EYER H. BOIES.

The chairman directed the secretary to annex to the minutes of this meeting the waiver of notice thereof.

The chairman then outlined the proposition that the cooperative construct, acquire and operate electric generating facilities and electric transmission, distribution and service lines in rural areas to be financed (a) by loans from United States of America and (b) by assumption of indebtedness of third parties to United States of America created by loans to such third parties pursuant to the provisions of the Rural Electrification Act of 1936, as from time to time amended, or the Emergency Relief Appropriation Act of 1935. The chairman stated that the cooperative had been required to execute and deliver notes or bonds in connection with such loans and assumptions of indebtedness, and would be required, from time to time, to do so in the future, and to mortgage all property of the cooperative, whether now owned or hereafter acquired, to secure such loans and indebtedness so assumed. The form of a proposed deed of trust, which had been approved by counsel for the cooperative, and approved by the Board of Directors, was presented and read to the meeting by the secretary and then was ordered to be identified by the secretary and annexed to the minutes of this meeting. After full discussion, on motion duly made and seconded, the following resolutions were unanimously adopted:

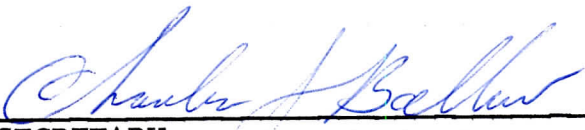

RESOLVED that the members authorize the borrowing of amounts from time to time by the cooperative from United States of America and the incurring by the cooperative of indebtedness from time to time, by the assumption of indebtedness of third parties to United States of America created by loans made to such third parties pursuant to the Rural Electrification Act of 1936, as from time to time amended, or the Emergency Relief Appropriation Act of 1935, such loans and such indebtedness to be so assumed to be in such amounts, not exceeding in the aggregate \$5,000,000, and upon such terms as the board of directors shall deem advisable, to finance the construction, acquisition and operation of such electric generating, transmission, distribution and service facilities as the board of directors shall from time to time determine upon, and the board of directors is further authorized to cause the proper officers from time to time, to execute, seal and deliver on behalf of the cooperative notes, bonds, or other evidences of indebtedness to evidence indebtedness created thereby and to refund notes, bonds, or other evidences of indebtedness issued pursuant to the authorization herein contained all, upon terms as the

board of directors shall determine; and that all action heretofore taken by the board of directors and officers of the corporation with regard to the foregoing be and they are hereby fully approved; and

RESOLVED that the members authorize the mortgaging by mortgage or deed of trust of all of the property of the cooperative, now owned or hereafter acquired, to secure such loans as may be made at any time or times by United States of America to the Cooperative and such indebtedness as may be incurred by assumption of the obligations of third parties to United States of America, limited in aggregate amount as aforesaid, and to secure all notes, bonds, or other evidences of indebtedness evidencing the indebtedness created by such loans and assumptions of indebtedness, all upon such terms as the board of directors shall determine; and that all action heretofore taken by the board of directors and officers of the corporation with regard to the foregoing be and they are hereby fully approved; and

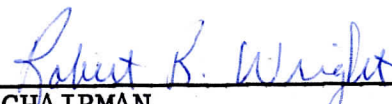

RESOLVED: That, without limiting the generality of the foregoing resolutions, the board of directors is authorized to cause, the proper officers on behalf of the cooperative to execute, seal and deliver as many counterparts as shall be deemed advisable of a deed of trust between the cooperative and First National Bank of Nevada as trustee, substantially in the form of the deed of trust presented to this meeting, with such changes in the form of the deed of trust as the board of directors or any officer or officers, vested with appropriate power by the board of directors, shall deem expedient; and that all action heretofore taken by the board of directors and officers of the corporation with regard to the foregoing be and they are hereby fully approved.

There being no further business to come before the meeting, upon motion duly made, seconded and unanimously carried, the meeting adjourned.

ARTICLE II

PARTICULAR COVENANTS OF THE CORPORATION

The Corporation covenants with the Trustee for the benefit of all those who shall from time to time hold notes (hereinafter sometimes collectively called the "noteholders"), and each of them, as follows:

SECTION 1. The Corporation is duly authorized under its articles of incorporation and bylaws and the laws of the State of its incorporation and all other applicable provisions of law to execute and deliver the First Note and this Indenture, and to execute and deliver additional notes and notes to refund, or in renewal of, or in substitution for, outstanding notes; and all corporate action on its part for the execution and delivery of the First Note and of this Indenture has been duly and effectively taken; and the First Note and this Indenture are the valid and enforceable obligations of the Corporation in accordance with their respective terms.

SECTION 2. The Corporation warrants that it has good right and lawful authority to mortgage the property described in the granting clauses of this Indenture for the purposes herein expressed; and that the said property is free and clear of any deed of trust, mortgage, lien, charge, or encumbrance thereon or affecting the title thereto, except the lien of this Indenture and taxes or assessments not yet due. The Corporation will, so long as any of the notes shall be outstanding, maintain and preserve the lien of this Indenture superior to all other liens affecting the Trust Estate and will forever warrant and defend the title to the property described as being conveyed and assigned hereby to the Trustee, for the benefit of the noteholders, against any and all claims and demands whatsoever. The Corporation will promptly pay or discharge any and all obligations for or on account of which any such lien or charge might exist or could be created and any and all lawful taxes, rates, levies, assessments, liens, claims, or other charges imposed upon or accruing upon the Trust Estate, or any part thereof (whether taxed to the Corporation or to the Trustee or to any noteholder), or the franchises, earnings, or business of the Corporation, as and when the same shall become due and payable; and whenever called upon so to do the Corporation will furnish to the Trustee or to any noteholder adequate proof of such payments or discharge.

SECTION 3. Except to secure loans made by the Government to the Corporation, or to a third party or parties, the obligations of which are assumed by the Corporation as provided in section 1 of article I of this Indenture, the Corporation will not, without the consent of the holder or holders of not less than a majority in principal amount of the notes at the time outstanding, charge, assign, pledge, mortgage or otherwise encumber any of its property, real or personal, tangible or intangible, wherever situate, which at the time is, or at any time may become subject to the lien of this Indenture.

SECTION 4. The Corporation will duly and punctually pay the principal of and interest on the notes at the dates and places and in the manner provided therein, according to the true intent and meaning thereof, and also all other sums becoming due hereunder.

SECTION 5. The Corporation will at all times, so long as any of the notes shall be outstanding, take or cause to be taken all such action as from time to time

may be necessary to preserve its corporate existence and to preserve and renew all franchises, rights of way, easements, permits, and licenses now or hereafter to it granted or upon it conferred, and will comply with all valid laws, ordinances, regulations, and requirements applicable to it or its property. The Corporation will not, without the approval in writing of the holder or holders of not less than a majority in principal amount of the notes at the time outstanding, take or suffer to be taken any steps for reorganization or to consolidate with or merge into any other corporation, or to sell, lease, or transfer (or make any agreement therefor) the Trust Estate, or any part thereof.

SECTION 6. The Corporation will at all times maintain and preserve the Trust Estate and each and every part and parcel thereof in good repair, working order and condition, and will from time to time make all needful and proper repairs, renewals, and replacements and useful and proper alterations, additions, betterments, and improvements, and will, subject to contingencies beyond its reasonable control, at all times keep its plants and properties in continuous operation and use all reasonable diligence to furnish the consumers served by it through the Trust Estate, or any part thereof, with an adequate supply of electric energy and other services furnished by the Corporation.

SECTION 7. Except as specifically authorized in writing in advance by the holder or holders of not less than a majority in principal amount of the notes at the time outstanding, the Corporation will purchase all materials, equipment, and replacements to be incorporated in or used in connection with the Trust Estate outright, and not subject to any conditional sales agreement, chattel mortgage, bailment lease, or other agreement reserving to the seller any right, title, or lien.

SECTION 8. The Corporation will take out, as the respective risks are incurred, and maintain insurance of such classes and in such amounts, and from time to time make such changes in respect thereof, as the holder or holders of not less than a majority in principal amount of the notes at the time outstanding shall have determined to be advisable to safeguard the interests of the noteholders. The Corporation will, upon request of the holder or holders of notes in the principal amount above specified, submit to the noteholder designated in such request a schedule of its insurance in effect on the date specified in such request and also originals or duplicate originals of such insurance policies as may be requested. If the Corporation shall at any time fail or refuse to take out or maintain insurance or to make changes in respect thereof upon appropriate request by such noteholder or noteholders, such noteholder or noteholders may take out such insurance on behalf and in the name of the Corporation, and the Corporation will pay the cost thereof.

SECTION 9. In the event of the failure of the Corporation in any respect to comply with the covenants and conditions herein contained with respect to the procuring of insurance, the payment of taxes, assessments, and other charges, the keeping of the Trust Estate in repair and free of liens and other claims or to comply with any other covenant contained in this Indenture, the Trustee or any noteholder or noteholders shall have the right (without prejudice to any other rights arising by reason of such default) to advance or expend moneys for the purpose of procuring such insurance, or for the payment of insurance premiums, taxes, assessments, or other charges, or to save the Trust Estate from sale or forfeiture for any unpaid tax or assessment or otherwise, or to redeem the same from any tax or other sale, or to purchase any tax title thereon, or to remove or purchase any mechanics' liens or other encumbrances thereon, or to make repairs thereon, or to comply with any other covenant herein contained, or to prosecute or defend any suit in relation to the Trust Estate, or in any manner to protect the Trust Estate and the title thereto, and all sums so advanced for any of the aforesaid purposes with interest thereon at the rate of five per centum (5%) per annum shall be deemed a charge upon the Trust Estate in the same manner as the notes at the time outstanding are secured and shall be forthwith paid to the Trustee or noteholder or noteholders making such advance or advances upon demand. It shall not be obligatory for the Trustee or any noteholder in making any such advances or expenditures to inquire into the validity of any such tax title, or of any such taxes or assessments or sales therefor, or of any such mechanics' liens or other encumbrance.

SECTION 10. The Corporation will not, without the approval in writing of the holder or holders of not less than a majority in principal amount of the notes at the time outstanding: (a) construct, make, lease, purchase, or otherwise acquire any extensions or additions to its system, or enter into any contract therefor, except such

extensions or additions as may be financed with loans evidenced by additional notes; (b) construct any consumer services at its expense in excess of one pole and one span of wire in addition to a service drop not more than one hundred fifty (150) feet in length; (c) enter into any contract or contracts for the operation or maintenance of all or any part of its property, for the purchase of electric energy or for the use by others of any of its property; (d) incur any expenses for legal, engineering, supervisory, accounting, or other similar services, except such reasonable expenses as are incurred in the routine course of business; or (e) deposit any of its funds, regardless of the source thereof, in any bank or other depository which is not a member of the Federal Deposit Insurance Corporation, or the successor thereof, or of a Federal Reserve bank.

SECTION 11. The Corporation will not pay its directors, as such, any salaries for their services, except such as shall have been approved by the holder or holders of not less than a majority in principal amount of the notes at the time outstanding, provided that nothing herein contained shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor. Salaries and wages paid officers and employees shall be reasonable and in conformity with the usual practice of corporations of the size and nature of the Corporation.

SECTION 12. The Corporation will at all times keep proper books, records, and accounts in which full and true entries will be made of all the dealings, business, and affairs of the Corporation, in accordance with good accounting practice. The Corporation will furnish each noteholder: (a) not later than the tenth day of each month, a statement of operations for the preceding month, including, without limitation, an analysis of the Corporation's revenues, expenses and consumer accounts for the preceding month, and, if directed by the holder or holders of not less than a majority in principal amount of the notes at the time outstanding, such statement shall be in such form and include therein such information as may be specified in such direction; and (b) within thirty (30) days after the close of each fiscal year, full and complete reports, certified by its Treasurer, of its financial condition as of the end of such fiscal year and of its operations for such period and, if requested by the holder or holders of not less than a majority in principal amount of the notes at the time outstanding, such reports shall be audited and certified by independent public accountants satisfactory to such noteholder or noteholders. Any noteholder, through its agents, representatives, accountants, or attorneys, shall at all times during reasonable business hours have access to, and the right to inspect and make copies of, any or all books, records, and accounts, and any or all invoices, contracts, leases, pay rolls, canceled checks, statements, and other documents and papers of every kind belonging to or in the possession of the Corporation or in anywise pertaining to its property or business.

SECTION 13. The Corporation will from time to time upon written demand of the holder or holders of not less than a majority in principal amount of the notes at the time outstanding: (a) make, execute, acknowledge, and deliver or cause to be made, executed, acknowledged, and delivered all such further and supplemental deeds of trust, mortgages, instruments, and conveyances as may reasonably be requested by such noteholder or noteholders; and (b) take or cause to be taken all such further action as may reasonably be requested by such noteholder or noteholders to effectuate the intention of these presents and to provide for the securing and payment of the principal of and interest on the notes and for the purpose of fully conveying, transferring, and confirming unto the Trustee the property hereby conveyed and transferred, or intended so to be, whether now owned by the Corporation or hereafter acquired by it. The Corporation will cause this Indenture and any and all supplemental mortgages and deeds of trust and every additional instrument, which shall be executed pursuant to the foregoing provisions forthwith upon execution to be recorded and filed and rerecorded and refiled as conveyances and mortgages and deeds of trust of real and personal property in such manner and in such places as may be required by law in order fully to preserve the security for the notes and to perfect and maintain the superior lien of this Indenture and all supplemental mortgages and deeds of trust, and the rights and remedies of the Trustee and the noteholders.

SECTION 14. Any noteholder may, at any time or times in succession without notice to or the consent of the Corporation and upon such terms as such noteholder

may prescribe, grant to any person, firm, or corporation who shall have become obligated to pay all or any part of the principal of or interest on any note held by or indebtedness owed to such noteholder or who may be affected by the lien hereby created, an extension of the time for the payment of such principal or interest, and after any such extension the Corporation will remain liable for the payment of such note or indebtedness to the same extent as though it had at the time of such extension consented thereto in writing.

SECTION 15. The Corporation, subject to applicable laws and rules and orders of regulatory bodies, will charge for electric energy and other services furnished by it rates which shall be sufficient to pay and discharge all taxes, maintenance expense, cost of electric energy, and other operating expenses of its electric transmission and distribution system and electric generating facilities, if any, and also to make all payments in respect of principal of and interest on the notes when and as the same shall become due, and to provide and maintain a reasonable reserve for working capital of the Corporation.

SECTION 16. The Corporation will not declare or pay any dividends, patronage refunds, or make any retirement of patronage capital or other cash distribution to its members or stockholders or to consumers unless after such payment, retirement or distribution the liquid assets of the Corporation, after deducting therefrom the total of current liabilities of the Corporation, will equal at least forty per centum (40%) of the reserves for depreciation applicable to properties of the Corporation in accordance with good accounting practice, or equal the sum of interest and principal payments due in a twenty-four month period in which maximum interest and principal payments become due and payable according to the terms of notes then outstanding, whichever is larger; provided, however, that in no event will the Corporation make any such payment, retirement or distribution if there remains unpaid any installment of principal or interest due on the notes, or if the Corporation is in default hereunder. Any general cancellation, or abatement of charges for electric energy or other services furnished by the Corporation shall be deemed a cash distribution to consumers. For the purpose of this Section: "liquid assets of the Corporation" shall be deemed to include only the following: (1) cash or bank deposits other than deposits or cash required to be deposited in special trust accounts pursuant to the Loan Contract, or by direction of the noteholders pursuant to this Indenture, (2) investments or deposits in building and loan associations, (3) investments in obligations of the United States of America, and (4) advance payments, which shall be deemed to be payments in respect of the notes in addition to the amounts due thereon or applied thereto; "current liabilities" shall not be deemed to include (i) liabilities which the Corporation is authorized, under the Loan Contract or this Indenture, to pay from moneys deposited in the above mentioned trust accounts, nor (ii) principal payments due and payable on the notes within the next succeeding twelve months.

SECTION 17. In the event that the Trust Estate, or any part thereof, shall be taken under the power of eminent domain, all proceeds and avails therefrom, except to the extent that all noteholders shall consent to other use and application thereof by the Corporation, shall forthwith be applied by the Corporation: first, to the ratable payment of any indebtedness by this Indenture secured other than principal of or interest on the notes; second, to the ratable payment of interest which shall have accrued on the notes and be unpaid; third, to the ratable payment of or on account of the unpaid principal of the notes; and fourth, the balance shall be paid to whosoever shall be entitled thereto.

SECTION 18. The Corporation will not at any time employ, or enter into any contract for the employment of, any manager or superintendent of any electric transmission and distribution system or electric generating plant embraced in the Trust Estate, or any chief operator, engineer or other employee in active charge of any electric generating plant or electric transmission line embraced in the Trust Estate, unless such employment or such contract shall first have been approved by the holder or holders of not less than a majority in principal amount of the notes at the time outstanding. If, during such periods as the Corporation shall be in default in the making of a payment or payments of principal of or interest on one or more of the notes, the holder or holders of not less than a majority in principal amount of the notes at the time outstanding shall at any time give notice to the Corporation that in their opinion any such transmission and distribution system, transmission line or generating plant is not being efficiently operated and shall request the termination of the employment of any such manager or superintendent, or of any such chief operator, engineer or employee, or shall request the termination of any operating contract in respect of any such transmission and distribution system, transmission line or generating plant, the Corporation will terminate such employment or operating contract within thirty (30) days after the date of such notice. All contracts in respect of the employment of any such manager or superintendent, or of any such chief operator, engineer or employee, or for the operation

of any such transmission and distribution system, transmission line or generating plant, shall contain provisions to permit compliance with the foregoing covenants.

SECTION 19. The Corporation will well and truly observe and perform all of the covenants, agreements, terms, and conditions contained in the Loan Contract, as from time to time amended, on its part to be observed or performed.

SECTION 20. Notwithstanding anything contained in the Loan Contract, as from time to time amended, or in the notes, the Corporation will set up such records and accounts and maintain such reserve funds as the holder or holders of not less than a majority in principal amount of the notes at the time outstanding may from time to time require in writing and, if such holder or holders shall so require, the Corporation shall apply revenues arising from the operation of the Trust Estate to the payment of or on account of the principal of or interest on any one or more of the notes designated by such holder or holders, either prior to the time or in excess of the amount provided for in any one or more of the notes in respect of which the payment is to be made; provided, however, that the Corporation shall not be obligated hereby to make payments on account of the principal of or interest on any of the notes during any one calendar year in excess of five per centum (5%) of the amount of the principal of such note or notes advanced and unpaid at the time such payment is required; and provided further, that subject to the provisions of section 4 of article II hereof, the Corporation may at all times retain funds reasonably adequate for operating purposes for the current month, and in no event less than 1.5 times the amount of its cash expenditures for such purposes during the corresponding month of the preceding year. ~~_____~~

then in each and every such case any noteholder may, by notice in writing to the Corporation and delivery of a copy thereof to the Trustee and the other noteholders, declare all unpaid principal of and accrued interest on any or all notes held by such noteholder to be due and payable immediately; and upon any such declaration all such unpaid principal and accrued interest so declared to be due and payable shall become due and payable immediately, anything contained herein or in any note or notes to the contrary notwithstanding; provided, however, that if at any time after the unpaid principal of and accrued interest on any of the notes shall have been so declared to be due and payable, all payments in respect of principal and interest which shall have become due and payable by the terms of such note or notes shall be paid to the respective noteholders, and all other defaults hereunder and under the notes shall have been made good or secured to the satisfaction of all of the noteholders, then and in every such case, the noteholder or noteholders who shall have declared the principal of and interest on notes held by such noteholder or noteholders to be due and payable may, by written notice to the Corporation and delivery of a copy thereof to the Trustee and the other noteholders, annul such declaration or declarations and waive such default or defaults and the consequences thereof, but no such waiver shall extend to or affect any subsequent default or impair any right consequent thereon.

SECTION 2. If one or more of the events of default shall happen, the Trustee, personally or by attorney, in its discretion may, in so far as not prohibited by law:

(a) take immediate possession of the Trust Estate, collect and receive all credits, outstanding accounts and bills receivable of the Corporation, and all rents, income, revenues, and profits pertaining to or arising from the Trust Estate, or any part thereof; and issue binding receipts therefor; and manage, control, and operate the Trust Estate as fully as the Corporation might do if in possession thereof, including, without limitation, the making of all repairs or replacements deemed necessary or advisable;

(b) proceed to protect and enforce its rights and the rights of noteholders under this Indenture by suits or actions in equity or at law in any court or courts of competent jurisdiction, whether for specific performance of any covenant or any agreement contained herein, or in aid of the execution of any power herein granted, or for the foreclosure hereof or hereunder, or for the sale of the Trust Estate, or any part thereof, or to collect the debts hereby secured, or for the enforcement of such other or additional appropriate legal or equitable remedies as may be deemed most effectual to protect and enforce the rights and remedies herein granted or conferred, and in the event of the institution of any such action or suit the Trustee shall have the right to have appointed a receiver of the Trust Estate and of all rents, income, revenues, and profits pertaining thereto or arising therefrom derived, received, or had, and such receiver shall have all the usual powers and duties of receivers in like and similar cases, to the fullest extent permitted by law, and if the Trustee shall make application for the appointment of a receiver the Corporation hereby expressly consents that the court to which such application shall be made may make said appointment; and

(c) sell or cause to be sold all and singular the Trust Estate, or any part thereof, and all right, title, interest, claim and demand of the

Corporation therein or thereto, at public auction at such place in any county in which the property to be sold, or any part thereof, is located, at such time and upon such terms as may be specified in a notice of sale, which shall state the time when and the place where the sale is to be held, shall contain a brief general description of the property to be sold, and shall be given by mailing a copy thereof to the Corporation at least fifteen (15) days prior to the date fixed for such sale and by publishing the same once in each week for two successive calendar weeks prior to the date of such sale in a newspaper of general circulation published in said county or, if no such newspaper is published in such county, in a newspaper of general circulation in such county, the first such publication to be not less than fifteen (15) days nor more than thirty (30) days prior to the date fixed for such sale; any sale to be made under this subsection (c) of this section 2 may be adjourned from time to time by announcement at the time and place appointed for such sale or for such adjourned sale or sales, and without further notice or publication the sale may be had at the time and place to which the same shall be adjourned; provided, however, that in the event another or different notice of sale or another or different manner of conducting the same shall be required by law the notice of sale shall be given or the sale shall be conducted, as the case may be, in accordance with the applicable provisions of law.

Nothing herein contained shall, however, affect or impair the right, which is absolute and unconditional, of any holder of any note secured hereby to enforce the payment of the interest on or principal of such note on the date or dates any such interest or principal shall become due and payable in accordance with the terms of such note.

SECTION 3. At any sale hereunder the Trustee or any noteholder or noteholders shall have the right to bid for and purchase the Trust Estate, or such part thereof as shall be offered for sale, and any noteholder or noteholders may apply in settlement of the purchase price of the property so purchased the portion of the net proceeds of such sale which would be applicable to the payment on account of the principal of and interest on the note or notes held by such noteholder or noteholders, and such amount so applied shall be credited as a payment on account of principal of and interest on the note or notes held by such noteholder or noteholders.

SECTION 4. Any proceeds or funds arising from the exercise of any rights or the enforcement of any remedies herein provided, after the payment or provision for the payment of any and all costs and expenses of the Trustee, its agents, employees, and counsel in connection with the exercise of such rights or the enforcement of such remedies, shall be applied by the Trustee: first, to the payment of indebtedness hereby secured other than the principal of or interest on the notes; second, to the ratable payment of interest which shall have accrued on the notes and which shall be unpaid; third, to the ratable payment of or on account of the unpaid principal of the notes; and the balance, if any, shall be paid to whosoever shall be entitled thereto.

SECTION 5. Every right or remedy herein conferred upon or reserved to the Trustee or to the noteholders shall be cumulative and shall be in addition to every other right or remedy given hereunder or now or hereafter existing at law, or in equity, or by statute. The pursuit of any right or remedy shall not be construed as an election.

SECTION 6. The Corporation for itself and all who may claim through or under it covenants that it will not at any time insist upon or plead, or in any manner whatever claim, or take the benefit or advantage of, any appraisement, valuation, stay, extension, or redemption laws now or hereafter in force in any locality where any of the Trust Estate may be situated, in order to prevent, delay,

or hinder the enforcement or foreclosure of this Indenture, or the absolute sale of the Trust Estate, or any part thereof, or the final and absolute putting into possession thereof, immediately after such sale, of the purchaser or purchasers thereat, and the Corporation, for itself and all who may claim through or under it, hereby waives the benefit of all such laws unless such waiver shall be forbidden by law.

ARTICLE IV

CONCERNING THE TRUSTEE

SECTION 1. The Trustee accepts the trusts of this Indenture and agrees to execute them subject to the following terms and conditions:

(a) neither the Trustee, its agents or attorneys, nor any holder of any note or notes hereby secured, shall incur any personal liability on account of anything done or omitted under the provisions of this Indenture, except in case of gross negligence or misconduct;

(b) the Trustee shall not be responsible for the execution or validity of this Indenture or of the notes, nor for, or in respect of, the title of the Corporation to, or the sufficiency of, the security provided herein, nor for the genuineness or validity of any conveyances, transfers, or assignments of any property intended to be subject to the lien hereof;

(c) whenever it is herein provided that the Trustee may enforce any remedy, or give any notice to or make any demand upon the Corporation for any reason or purpose whatsoever, the Trustee in no event shall be required to enforce such remedy, give such notice, or make such demand unless the holder or holders of not less than a majority in principal amount of the notes at the time outstanding shall have first requested the Trustee in writing to enforce such remedy, give such notice, or make such demand, but the Trustee agrees that, in the event any such request shall be made to the Trustee that it enforce any such remedy, or give any such notice to, or make any such demand upon the Corporation, it will forthwith proceed to enforce the remedy, give the notice, or make the demand, as the case may be; and

(d) the Trustee shall release from the lien of this Indenture, as from time to time amended or supplemented, such part or parts of the Trust Estate as the holder or holders of all of the notes at the time outstanding shall from time to time request in writing.

SECTION 2. Any Trustee at the time acting hereunder may resign and be discharged from the trusts created by this Indenture by giving to the Corporation and to the holders of notes then outstanding notice in writing of such resignation by registered mail addressed to the respective holders of notes at their last known address at least sixty (60) days prior to the date when such resignation shall take effect, and by filing a duly executed and acknowledged counterpart original of such resignation for record in the several offices in which this Indenture shall be recorded. Any such resignation shall take effect on the day specified in such notice given in accordance with the foregoing unless prior to such date a successor trustee shall be appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the filing by such successor trustee of an instrument accepting such appointment as provided in section 3 of this article IV. Any trustee acting under this Indenture may be removed at any time by an instrument in writing executed by or on behalf of the holder or holders of not less than a majority in principal amount of the notes at the time outstanding and filed with the Trustee and for record in the several offices in which this Indenture shall be recorded, and such removal shall be effective on the date designated in such instrument for the termination of the duties of such Trustee.

SECTION 3. In case at any time the Trustee hereunder shall resign or shall be removed or shall become incapable of acting or in case a vacancy shall arise from any cause in the trusteeship hereunder, a successor trustee (which need not be a corporate trustee) may be appointed by the holder or holders of not less than a majority in principal amount of the notes at the time outstanding by filing for record in the

several offices in which this Indenture shall be recorded an instrument of appointment of such successor trustee executed by or on behalf of the holder or holders of notes in the principal amount hereinabove specified. Any successor trustee appointed hereunder shall execute and deliver to the Corporation and shall cause to be filed for record in the several offices where this Indenture shall be recorded, an instrument accepting such appointment hereunder and thereupon such successor trustee, without any further act, deed, or conveyance, shall become vested with all the estates, properties, rights, powers, trusts, and duties of the predecessor in trust hereunder, with like effect as if originally named as trustee in this Indenture; but, nevertheless, on the written request of the Corporation or of the successor trustee, the Trustee ceasing to act shall execute and deliver an instrument transferring to such successor trustee, upon the trusts herein expressed, all the estates, properties, rights, powers, trusts, and duties of the Trustee so ceasing to act; and upon request of any such successor trustee or the Corporation, the Trustee ceasing to act shall make, execute, acknowledge, and deliver any and all deeds, conveyances, or other instruments in writing more fully and certainly to vest in and confirm to such successor trustee all such estate, properties, rights, powers, trusts, and duties. All conveyances and other instruments hereinbefore provided for, when and if executed and delivered, shall be at the cost of the Corporation and its successors.

SECTION 4. The compensation of the Trustee and of its agents and counsel for services rendered in connection with the execution, recordation and filing of this Indenture and any supplements hereto shall be seventy-five dollars (\$75) or one-fortieth ($1/40$) of one per centum (1%) of the principal amount of the First Note, whichever shall be the greater, and one-fortieth ($1/40$) of one per centum (1%) of the principal amount of each additional note or refunding, substituted, or renewal note from time to time executed and delivered; provided, however, that the compensation based on any refunding, substituted, or renewal note or notes executed and delivered at any one time shall not exceed twenty-five dollars (\$25), regardless of the principal amount or the number of such notes executed and delivered at such time. The Trustee, its agents, or counsel shall not otherwise be entitled to compensation hereunder, except for active services rendered in connection with the exercise of rights or the enforcement of remedies hereunder, and in such instances the Trustee and its agents and counsel shall be entitled to reasonable compensation and expenses; provided, however, that the compensation of the Trustee and its agents for services rendered pursuant to subsections (b) and (c) of section 2 of article III of this Indenture shall in no event exceed one-quarter ($1/4$) of one per centum (1%) of the first one hundred thousand dollars (\$100,000) of the aggregate unpaid principal amount of the notes outstanding at the time of the rendition of such services and one-eighth ($1/8$) of one per centum (1%) of the balance of such unpaid principal amount of such notes.

SECTION 5. No counsel shall be employed by the Trustee in connection with the exercise of any rights or the enforcement of any remedies hereunder except with the approval in writing of the holder or holders of not less than a majority in principal amount of the notes at the time outstanding.

ARTICLE V

POSSESSION UNTIL DEFAULT-DEFEASANCE CLAUSE

SECTION 1. Until some one or more of the events of default shall have happened, the Corporation shall be suffered and permitted to retain actual possession of the Trust Estate, and to manage, operate, and use the same and every part thereof, with the rights and franchises appertaining thereto, and to collect, receive, take, use, and enjoy the rents, revenues, issues, earnings, income, products, and profits thereof or therefrom, subject to the provisions of this Indenture.

SECTION 2. If the Corporation shall well and truly pay or cause to be paid the whole amount of the principal of and interest on the notes at the times and in the manner therein provided, according to the true intent and meaning thereof and shall also pay or cause to be paid all other sums payable hereunder by the Corporation and shall well and truly keep and perform, according to the true intent and meaning of this Indenture, all covenants herein required to be kept and performed by it, then and in that

case, all property, rights, and interest hereby conveyed or assigned or pledged shall revert to the Corporation and the estate, right, title, and interest of the Trustee shall thereupon cease, determine, and become void and the Trustee, in such case, on written demand of the Corporation but at the Corporation's cost and expense, shall enter satisfaction of this Indenture upon the record. In any event, each noteholder, upon payment in full to him by the Corporation of all principal of and interest on any note held by him and the payment and discharge by the Corporation of all charges due to such noteholder hereunder, shall execute and deliver to the Corporation such instrument of satisfaction, discharge or release as shall be required by law in the circumstances.

MINUTES OF SPECIAL MEETING OF DIRECTORS

OF

WELLS RURAL ELECTRIC COMPANY

Pursuant to the foregoing written consent executed by the members of the Board of Directors of Wells Rural Electric Company on the 26th day of June, 1959, a special meeting of the Board of Directors was held at the El Rancho Hotel, in the City of Wells, County of Elko, State of Nevada, on the 26th day of June, 1959, at 2:45 o'clock P.M. of said day.

Present were directors ROBERT R. WRIGHT, CHARLES C. READ, VERNON DALTON, HERBERT M. UHLIG, JAMES L. BALLARD, CHARLES J. BALLEW and BLAINE SHARP. Absent were directors EYER H. BOIES and ROGER SMITH. Also present was JOHN MOSCHETTI of Contact Power Corporation and ROBERT O. VAUGHAN, corporation counsel.

The minutes of the directors meeting of May 25, 1959, and June 10, 1959, were read and approved.

It was brought to the attention of the Board that it would be necessary to set up a special construction bank account through which loan funds would be handled. On motion duly made and seconded it was unanimously

RESOLVED: That a separate account (hereinafter called the "Special Construction Account") designated "WELLS RURAL ELECTRIC COMPANY, TRUSTEE, SPECIAL CONSTRUCTION ACCOUNT", be opened in the First National Bank of Nevada, subject to the written approval of such bank by the Administrator of the Rural Electrification Administration, and all moneys received by the Cooperative from United States of America pursuant to the loan contract heretofore authorized to be executed shall be deposited in such account and held in trust in accordance with the provisions of such loan contract; and

It was brought to the attention of the Board that REA desired to have the board make appointments of the Engineers for the cooperative and also the counsel for the cooperative. On motion duly made and seconded it was unanimously

RESOLVED: That Associated Engineers, Inc., are appointed engineers of the cooperative, subject to the written approval of the Administrator of the Rural Electrification Administration, to perform all engineering duties required in connection with the construction of the electric facilities described in the loan contract heretofore authorized to be executed; and that such appointment is subject to approval and acceptance by the board of contracts with said engineers; and

RESOLVED: That VAUGHAN AND HULL, Attorneys of Elko, Nevada, are appointed counsel of the cooperative, subject to the written approval of the Administrator of the Rural Electrification Administration;

It was brought to the attention of the board that certain officers of the corporation would be required to post bond insuring the cooperative and the United States of America from loss arising from any fraudulent or dishonest acts of the officers, employees or agents. On

motion duly made and seconded it was unanimously

RESOLVED: That the president, secretary and treasurer of the cooperative and each of them (with full power to act without the others) is authorized at the expense of the cooperative to obtain and deliver to the Administrator of the Rural Electrification Administration a bond or bonds insuring the cooperative and United States of America from losses arising from fraudulent or dishonest acts of such of the officers, employees or agents of the cooperative as shall be designated by such Administrator with such surety or sureties and in such amount or amounts and containing such terms as shall be approved in writing by such Administrator;

It was brought to the attention of the board that the REA would require a resolution authorizing officers of the corporation to sign on behalf of the cooperative requisitions requesting advances of funds pursuant to the loan contract. On motion duly made and seconded it was unanimously:

RESOLVED: That the persons at any time occupying the offices of president, secretary and treasurer, or any one or more of such persons, are authorized to sign, on behalf of the cooperative, requisitions requesting United States of America to make advances to the cooperative pursuant to the above-mentioned loan contract between the cooperative and United States of America, as from time to time amended.

The attorney for the Corporation advised that he had been examining the records of the corporation and had noted that there had been an omission from the minutes of action taken at the first meeting of the Directors of the corporation on the 2nd day of December, 1958, in that the minutes did not show the election to membership of the nine original directors. It being agreed that such action had been taken, and that the omission from the minutes of said action was in the nature of an mechanical error, on motion duly made, seconded and carried it was unanimously

RESOLVED: That the minutes of the first meeting of the Directors of WELLS RURAL ELECTRIC COMPANY of the 2nd day of December, 1958, be amended. That the amendment reflect that the following persons, being the first board of directors of the corporation, be elected to membership in the corporation: ROBERT R. WRIGHT, CHARLES C. READ, ROGER SMITH, JAMES L. BALLARD, CHARLES J. BALLEW, VERNON DALTON, BLAINE SHARP, HERBERT M. UHLIG and JAMES B. WINES.

The latest proposed power contracts admitted by Idaho Power Company were read and discussed by the members of the board. After considerable discussion the board authorized the attorney to write to Idaho Power Company and advise them that the contract was not acceptable and request the revision of it to remove the ratchet clause or at least put it on a monthly or 75% basis and to request the provision that Wells Rural Electric Company would be charged a rate no higher than any other users on the proposed 138 KV line. It was also decided that the board needed more information regarding provision 5.2e and would obtain it from the engineers before further action would be taken. The president stated that a meeting would be held as soon as we had answers from Idaho Power Company and the engineers, to give further consideration to the power contract.

There being no further business to come before the meeting, upon motion duly made and seconded, the meeting was adjourned.

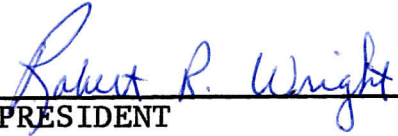

(51)

I, the undersigned, the duly elected secretary of the corporation do hereby certify that the within and foregoing are the minutes of the Board of Directors meeting held on the 26th day of June, 1959.

CHARLES J. BALLEW, Secretary
